Ryan Huseman – Huseman Engineering LLC

What is the best advice you received when you were beginning your career?

“Every job is a self-portrait of the person who did it. Autograph your work with excellence.” – Vince Lombardi

Memberships and certifications:

Construction Specifications Institute (CSI) Amarillo Chapter; American Society of Civil Engineers (ASCE); Professional Engineer Texas; Professional Engineer New Mexico; Professional Engineer Oklahoma; Professional Engineer Colorado; Professional Engineer Kansas

What is your business philosophy?

To work in the best interest of our clients and be responsive to their needs and questions.

How has mentorship made a difference in your professional and private life?

I would not have accomplished anything of importance without a hand up from someone, whether it be by example, advice or just association.

What personality trait has most helped you succeed?

I’m a perfectionist.

I am thankful for: My faith, wife, children, the people I have the pleasure of working with – our community.

I value: The trust placed in me by my clients and the public to provide sound and practical structural engineering solutions. The people around me – especially my wife, my children and the people I work with.

The best part of doing business in Amarillo is: The people.

Awards and accolades: Amarillo Chamber of Commerce Top 20 Under 40

Community involvement:

Construction Specifications Institute (CSI) Amarillo Chapter; St. Thomas the Apostle Catholic Church

My favorite thing about Amarillo is: Everything. I love Amarillo!
